MONDAY EVENING, DEC. 21, 1903.

The Cameron Hunt Club.

On Tuesday, December 15, the hounds met at Ravensworth at 11 a. m. After hunting the adjoining country for about an hour a fox was found and ran for about two miles, but was lost in the Skandlin farm. Soon after another was started in Ravensworth near the creek, but went to earth after a short run. The hunt was most hospitable entertained after the run at luncheon, by Mrs. Lee. Among those out were Miss Nora Herbert on "Delirium," Mrs. Smith on "Chippie Lee," Mr. Low on "The Monk," the master on "Tip Top," and the whip on "Potential" and "Senegal Rad."

On Friday, December 18, the hounds met at Cowden at 2 p. m. and were immediately cast on the Morris farm. The lucky check at the Leesburg pike near Lucky branch found all well up. A board fence on the upper end of the farm held the field for some time, the master and Mr. Leith being the first ones over, no one getting a fall save the second whip. Miss Herbert rode at a high panel and got over safely. Those at the death near Bailey's Cross Roads were Miss Herbert on "Delirium," Mr. David N. Rust going well on his new green one, Mr. Leith on a three year old, who went like a veteran; Mr. Low on "The Monk," the master on "Potential" and the whips on "Skimmer" and "Senegal Rad." The hounds will meet at 11 a. m. Tuesday at Clouds Mill. The field will be entertained at luncheon at Hampton, after the run, by the master.

A GOVERNOR IN A FIGHT.—During a joint discussion at Hope, Ark., on Saturday, between the three candidates for the democratic nomination for governor, a personal encounter occurred between two of the candidates, Gov. Jeff Davis and Associate Justice Carroll D. Wood, of the Supreme Court. Gov. Davis struck Judge Wood on the head, causing blood to flow freely. As Judge Wood attempted to retaliate he was seized and kept from reaching the governor. Later he disentangled himself and struck the governor on the arm. The principals were arrested and placed under bond for their appearance in the mayor's court January 15. As Gov. Davis was closing his speech, Saturday, he accused Judge Wood of having gone to New York to secure information against Senator James K. Jones—in the last campaign for United States Senator. The governor said he himself had fought Senator Jones in the open, but that Judge Wood had knifed him, and was a traitor. Judge Wood quickly arose and said the governor would have to retract or be held personally responsible hereafter. "Why not now?" said Gov. Davis, accompanying the remark by striking Judge Wood with a cane. Officers interfered and prevented further trouble after Judge Wood struck the governor on the arm.

A SAD STATE OF AFFAIRS.—Riots at churches; howls of the mobs being clubbed by the police; riotous services; flagrant insults to the dead and the grief-stricken relatives; strike pickets entering the homes of death and dictating to the relatives what should be done, and poor people carrying their loved ones to the cemeteries on street cars were some of the incidents on Saturday of the most hideous and gruesome of all Chicago's strikes—that of the livery drivers, to win which the leaders have declared there shall be no funerals until their demands are met.

While strike sympathizers surrounded the home of Dr. O. W. Lewke, Coroner's physician, the doctor told his friends he would drive the hearse that bore the body of his wife to Waldheim Cemetery. "I will have a loaded shotgun across my knees and I will shoot the first man who tries to interfere with me," he is said to have declared to his friends. Dr. Lewke tried to secure a street car to take the body to the cemetery, but was not able to do so. Then, after much trouble, he secured a hearse and drove it himself.

Better than a Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on the affected parts, is better than a plaster for a lame back and for pains in the side or chest. Pain Balm has no superior as a liniment for the relief of deep seated, muscular and rheumatic pains. For sale by Richard Gibson.

A Costly Mistake.

Blanders are sometimes very expensive. Occasionally life itself is the price of a mistake, but you'll never be wrong if you take Dr. King's New Life Pills for Dyspepsia, Dizziness, Headache, Liver or Bowel troubles. They are gentle, yet thorough. 25c, at E. S. Leadbeater & Son's drug store.

MURDERED HIS FAMILY.—Roscoe W. Derby, a machinist, about 45 years old, exterminated his family early yesterday in Cleveland, O., by shooting his wife, his three children and then himself. The crime is believed to have been due to despondency over the impoverished condition of the family and the near approach of Christmas. The wife was killed first while sleeping at her husband's side; two of the children were killed as they ran hither and thither through the house in the darkness of the early morning endeavoring to escape their merciless parent. The third child was killed in his bed after his elder brother and sister had been killed. The crime is believed to have been committed about 4 o'clock in the morning. A number of pool-room race checks were found about the house, showing that Derby had been gambling Saturday night. The first knowledge of the crime was communicated in a letter written by Derby Saturday to a friend who lived not far away, and which was sent him by special delivery. The letter was to the effect that when it had been received the Derby family would be dead. When the friend hurried to the house yesterday morning all that had been promised was seen to have been fulfilled.

BRUTAL CRIME.—The Whitechapel atrocities of "Jack the Ripper" and the murder of "Old Shakspeare" by the Arab, Ben Ali, in New York, were recalled by the discovery yesterday of the fearfully mutilated body of a woman in a sailor's resort of the lowest type in James slip, near the East river. The woman, who was identified as Sarah Martin, a notorious character of the "Cherry Hill" section, went to the place Saturday night accompanied by a man who appeared to be a Swede, and who registered as Carl Nelson and wife. The man left the hotel yesterday afternoon, and an hour later the body of his companion was found. The woman's throat had been cut and the body was otherwise frightfully mutilated. She had evidently been killed while asleep as the condition of the room gave no indication that a struggle had taken place. The man carried two bundles, which were found in the room and which may afford a possible clue to the murder. The place in which the murder was committed is said to be known among sailors all over the world as "Slaughter House Point." It has been raided scores of times by the police. The proprietor was arrested and held as a witness.

Croup attacks a child without warning and needs immediate, prompt attention, or it may prove serious—even fatal. If you notice any symptoms of croup, give baby a small dose of

Dr. Bull's Cough Syrup

It will relieve it instantly and cure it in a night. No danger from choking after you have given baby one bottle of Dr. Bull's Cough Syrup in the house to be prepared for sudden attacks of croup. Thousands of letters are received from grateful mothers, who say their babies' lives have been saved by Dr. Bull's Cough Syrup.

REFUSE SUBSTITUTES. Be careful and see that you get the genuine. Do not let an unreliable dealer sell you some cheap preparation that he says is "just as good as Dr. Bull's." He is only after the money of your baby. See that the "BULL'S HEAD" is on the package, then you know it is the genuine. Dr. Bull's Cough Syrup is prescribed by all doctors and used in leading hospitals exclusively. Large bottles at all druggists, 25c.

SMALL DOSE. PLEASANT TO TAKE.

MISS FAY LEE, President of the Shakespearean Club, Kansas City.

"Your booklet came to my home like a message of health when I had suffered with headache, backache and bearing-down pains. I was weak, nervous and hysterical and had not consulted any doctor, thinking it would pass away in time, but instead I found that the pains increased and were more frequent. I decided to try Wine of Cardui and in a short time was much improved. It seemed to act like a charm. I kept up the treatment and the result was most satisfactory. Words fail to express my gratitude for the suffering that is now saved me. I am in fine health, physically and mentally. I can only say 'thank you,' but there is much more in my heart for you."

BEARING-DOWN pains are the worst that women know. If you are suffering from this trouble you need not be uncertain about it. The pains in the abdomen and back that feel as if heavy weights were pulling down on the nerves of the stomach are "bearing-down pains." They may not be particularly severe at present but they are growing worse. That headache which nearly drives you distracted now is caused by the terrible

nervous tension. The nervous system begins to give way under the strain. You perhaps jump at any unusual disturbance, or laugh or weep, hysterically, all on apparent cause. That is what Miss Fay Lee, 603 1/2 North Seventh Street, Kansas City, Kansas, was coming to when she rescued herself by taking Wine of Cardui. The Wine made her a strong, healthy woman again, as it has made a million other women strong and healthy. By inducing regular menstruation the entire system is relieved of the terrible wasting drains. The ligaments which hold the womb in place are strengthened by a healthy flow and that organ is returned to its normal position. Returning health is the result. This is what Wine of Cardui has done for thousands of the best women in America.

If you need advice write The Ladies' Advisory Department, The Chattanooga Medicine Company, Chattanooga, Tenn., describing all your symptoms freely, and a letter of advice will be sent you. Secure a \$1.00 bottle of Wine of Cardui from your druggist to-day.

A million suffering women have found relief in Wine of Cardui.
